EDUCATION

*Diploma (Honours with Distinction), Design Studies
Digital Media, MacEwan University, 2015*

DESIGN & WORK EXPERIENCE

Junior Graphic Designer, KEEN Creative (Pure Vision), May 2015 - Current

Worked with the creative advertising and marketing team to develop my skillset within the agency.

Worked on a variety of projects including various ads, branding/identity design, print design, etc.

Freelance Graphic & Web Designer, University of Alberta National Panhellenic Council, 2014

Created promotional items for the recruitment process for the 2014 year. This included designing clothing, posters, and a new website for the council.

Freelance Graphic Designer, University of Alberta Human Ecology Students Association, 2013

Design a set of promotional pieces that advertised the event they were putting on for World Home Economics Day.

TECHNICAL SKILLS

Adobe Creative Suite (Photoshop, Illustrator, InDesign, Flash, Lightroom, Bridge), HTML5/CSS3, Javascript/JQuery, Autodesk Maya.

HOBBIES & INTERESTS

I am really interested in expanding my skillset and further my education and knowledge of design in facets such as industrial, environmental, and inclusive design. My passion also lies within typography and lettering. Outside the world of design, I love yoga, running, music festivals, camping, and travelling.
